

Mutare Text™

Cast

Emergency & Group Notification

Cast is mass-messaging made simple with a single-source communications solution that allows you to communicate from any device with the touch of a button. The powerful tool can be used across a variety of industries for personnel recall in the event of a patient/customer surge, emergency response and disaster recovery, public health warnings, critical outages, schedule changes, staffing for shift management, business continuity and more.

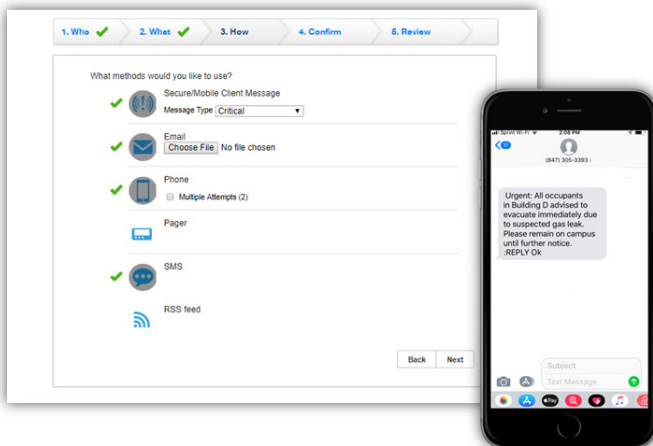

Cast supports multichannel notification by phone, SMS, IM,

email, pager, secure client, RSS and social network interfaces rapidly contacting employees when required. Uses include:

- Joint Commission Compliance
- Personnel recall in the event of patient surge
- Disaster recovery
- Business continuity
- Staffing for shift management
- Calling codes

Features Include:

- Intuitive administrative interface
- Message templates
- Multi-media broadcasting with confirmation
- Smartphone client for secure broadcasting
- RSS feeds for website, message board and video integration
- Social interfaces
- Unlimited database
- Integration to existing systems
