

## Avaya 1600 Series IP Deskphones

The Avaya 1600 Series IP Deskphones are a value-priced family of deskphones designed to meet basic communication needs in a low-cost package with the quality and reliability you expect from Avaya. The 1600 Series IP Deskphones are designed for the same user profiles as the top-of-the-line 9600 Series IP Deskphones, thus offering a feature-set and price-point alternative. By providing a range of endpoints covering the differing needs of users at all price points, Avaya makes it possible for companies to equip their workforce with deskphones that look great, sound better, enhance productivity, and turn communications into a competitive advantage. With similar industrial design and administration, the 1600 Series and 9600 Series may be deployed in mixed environments or on their own.

- IP Deskphones for the value-oriented customer.
- Straightforward, familiar access to the most common telephony features.
- Cost effective, competitive price point.
- The quality and reliability you expect from Avaya.

For businesses seeking an easy, cost-effective transition to IP Deskphones, Avaya presents the 1600 Series IP Deskphones. With **features and capabilities** generally not found in competitively-priced models, these phones offer an attractive upgrade from older systems or an addition to your existing Avaya phone solution portfolio.

1600 Series IP Deskphones combine traditional telephone features such as dual LED indicators and fixed feature buttons (e.g., conference, transfer, hold) with contemporary innovations such as softkeys, navigation wheel and a context-sensitive user interface (in select models). Also standard on the 1600 series: 2-way speakerphones, backlit displays and multi-line

capabilities. These stylish deskphones are **a smart addition to any retail store, branch or corporate office.**

## A Familiar, Functional Interface

The 1600 Series IP Deskphones combine the best of past and present. Fixed keys – familiar to any phone user – provide easy access to the most common features. Meanwhile, flexible softkeys provide contextual guidance and prompts for ease of use and efficiency.

## Clear Sound, Clean Looks

The 1600 Series IP Deskphones offer clear, clean audio that will more than satisfy the most discerning users. All models come with an integrated 2-way speakerphone. The phone's streamlined industrial design reflects its function as a true business-class communications device.

## Built-in Investment Protection

The 1600 Series IP Deskphones have been engineered to adapt to your company's growing needs. The external Gigabit Ethernet adaptor allows you to attach a PC that can function with a high-speed connection to applications on your network, while the

32-button expansion module for the 1616-I can be custom-programmed to fulfill a wide range of specific user needs.

## Top Value for Your Communications Dollar

You expect top quality and reliability from Avaya and the 1600 Series IP Deskphones deliver by giving you a solidly built phone that can outlast competitors' low-cost phones – stretching your investment and lowering total cost of ownership. It's a cost-effective solution that delivers significant competitive advantages at its price point.
